Communications for Efficiency and Safety

BF-Q2 BODY WORN CAMERA

RUGGED PROTECTION ROUND-THE-CLOCK READINESS

DEFY WIND & DUST, UP TO 8-HOUR ENDURANCE

LIGHTWEIGHT DESIGN • INFRARED NIGHT VISION • UP TO 8-HOUR RUNTIME

- Lightweight Design (90g)
- 36MP High-resolution Sensor
- 2.0-inch HD Display
- 120° Wide Field of View
- Infrared Night Vision
- Up to 8-Hour Video Recording
- 256GB Storage

BF-Q2

Features

- HD Video Recording: 1080P video capture delivers smooth, fine-detailed footage without stuttering.
- 2.0-inch HD Display: Quick on-site evidence playback to boost field-response efficiency.
- Light-Weight 90g Body: Comfortable for extended wear, prevents sagging and shifting to ease operator fatigue.
- Low Power Long Endurance: Up to 8-hour continuous recording, ideal for long shifts and overtime duties.
- Wide-Angle Infrared Night Vision: ≥120°field-of-view for broad scene coverage; auto-activates night vision in complete darkness.
- Large Expandable Storage: Supports up to 256GB, meeting multi-shift recording demands.
